

Belvedere Community Centre newsletter 6 - June 2020

Our doors may be closed but we are still helping to
'create a confident and connected community'

We are slowly reopening!

As you are aware, BCC has been closed since late March. While there has been lots going on behind the scenes during this time, we are now working towards reopening the centre. Due to the COVID-19 distancing regulations we have to meet, it will be a staged opening. You might find some of the classes have changed days, times or rooms, some will be held at a different venue and unfortunately some are not able to return at this stage.

Our centre will look a bit different with hand sanitising stations and limited room capacities. We are asking everyone to adhere to our distancing requirements, knowing this is challenging in our small centre. We have robust cleaning protocols in place and ask you not to come to your class early as you will not be allowed to enter the building until your class starts.

Due to our limited room capacity:

- Our exercise classes will be held at a different venue commencing in July.
- Unfortunately we have to cancel our children's programs for term 3 due to our small playroom.
- Our cake decorating classes are moving to Thursday mornings.
- Our Literacy class for people with a learning disability has also been cancelled for term 3.
- We are also asking you to ring and book into your class as we can only accommodate 5 people in our board room and 7 in our portable.

We will be in touch to let you know when your class is returning, some next week, some in term 3 and some not until term 4. We are only open for our scheduled classes and not to the general public at this stage.

We also ask that you do not attend the centre if you are unwell or have been in contact with someone with COVID-19.

We apologise if your class has been cancelled or if our room capacity does not allow you to attend sometimes. We continue to work behind the scenes to try and resolve these issues and hope you will be understanding of these changes.

We will also have limited office hours over the next couple of months so if we are not answering the phone, please leave a message which we will return as soon as possible. Or send us an email to manager@belvedere.org.au

Thank you all for your support during this challenging time as we resume our new way of operating.

On Monday 1 June at Frankston City Council Ordinary Council Meeting we were awarded a Councillor Appreciation Award!

Kind words from FCC: The award recognises the centre's tireless service to the Seaford area, through its many activities and continued support of community members.

The Belvedere Community Centre has more than 180 members, with more than 270 people attending the centre each week for various community classes and activities.

This is made possible thanks to the tireless efforts and passion of the centre's 16 volunteers, who contribute more than 1700 hours of their time each year

An amazing effort, well done to the gang!
